

AHWP WG STG (N) - Nomenclature/UDI

Chair: Director Lianchun YANG

Co-Chair: Carol YAN

March 1st, 2012

Work Items of 2012-2014 -Nomenclature

		Work Item	Remarks
Nomenclature	1	Keep seeking for consensus among member economies on the nomenclature system-GMDN vs. UMDN. Will continue study on GMDN feasibility in members. Make recommendation after feasibility study.	
	2	Follow up with AHWP economy to get nomination of regulator contact from each member economy, obtain access to GMDN database	
	3	Continue participation of nomenclature work at GMDN, IMDRF and WHO, provide AHWP comments	
	4	GMDN Database : pilot program in China with start of feasibility study for share	
	5	Funding and governance of GMDN through participation in GMDN BOT	
	6	Contribute to the development of SOP and Regulatory Use of GMDN manual through participation in GMDN PAG	

Work Items of 2012-2014 -UDI

	Work Item	Remarks
UDI	1 Keep close follow and participate in IMDRF UDI progress, assist IMDRF UDI working group meeting in China September 2012, join conference of both IMDRF UDI working group and AHWP STG(N)	
	2 Coordinate with IMDRF UDI experts to share in-depth UDI information among member economies	
	3 Follow member economy UDI implementation status, and provide assistant as necessary to ensure the alignment with IMDRF global model	
	4 Invite more member economies to join the IMDRF UDI group: such as Korea, etc. Q2 2012	
	5 Keep recruiting STG (N) group member, engage more member economies to participate and enjoy harmonization	

Thank You!
