

Appendix 1

Agenda of the 1st GHWP (Guangzhou) Academy Training

Date	Time	Contents	Speakers
2024/5/26	All day	Registration	
2024/5/27	Topic 1: GHWP Promotes Global Medical Device Regulatory Convergence, Harmonization, and Reliance		
	9:00-9:15	Opening speech	GHWP President
	9:15-9:30	Guest speech	President of GHWP (Guangzhou) Academy
	9:30-10:00	Group photo	
	10:00-10:30	Global Medical Device Innovation and Development Trends	Chairman of GHWP (Guangzhou) Academy
	10:30-11:00	Driving Convergence, Harmonization and Reliance of Global Medical Devices Regulatory: an overview of GHWP	GHWP SAB Member
	11:00-11:30	GHWP Strategic Framework Towards 2026	GHWP SAB Member
	13:30-14:30	Introduction to Chinese Medical Device Regulations	Head of Medical Device Registration Department of NMPA
	14:30-15:30	Introduction to the Chinese Medical Device Evaluation System	Head of CMDE
	16:00-17:00	Q&A on Chinese Medical Device Regulatory Policies	Speakers of NMPA
2024/5/28	Topic 2: Innovative Trends Shaping the Future of Medical Device Industry		
	8:30-9:30	Global Regulation Reliance and Atlas of Medical Devices	Head of Department of Regulation and Prequalification (RPQ), WHO
	9:30-10:00	Q&A on WHO	
	10:20-11:20	Development Status of the Asia-Pacific MedTech Industry	Head of APACMed
	11:20-11:50	Q&A on APACMed	
	13:30-14:30	Development Status of the MedTech in American Region	Executive Secretary of IACRC
	14:30-15:00	Q&A on IACRC	
	15:20-16:20	Development Status of Middle East and North Africa Medical Device Industry	Medical devices, Imaging, and Diagnostics Trade Association (MECOMED)
16:20-16:50	Q&A on MECOMED		

	17:00-18:00	Panel Discussion 1-Medical Device Products Benefit the People Around the World	Representatives of WHO, APACMed, IACRC, MECOMED, and GHWP Leadership\other GHWP members\Representatives of the Academy Council
2024/5/29	Topic 3: A Series of Training on the Premarket Regulatory Framework of Medical Device in the World		
	8:30-10:00	Regulatory Framework of Medical Devices and IVDs (MDR and IVDR) in European Union	Former member of the European Commission
	10:00-10:20	Q&A on Pre-Market Approval Policies in EU	
	10:40-12:10	Regulatory Framework of Medical Devices and IVDs in Japan	Head of Medical Devices Evaluation Division, Ministry of Health, Labor and Welfare (MHLW), Japan
	12:10-12:30	Q&A on Pre-Market Approval Policies in Japan	
	13:30-15:00	Regulatory Framework of Medical Devices and IVDs in Saudi Arabia	Head of Surveillance and Biological Products Division, Saudi Food and Drug Authority
	15:00-15:20	Q&A on Pre-Market Approval Policies in Saudi Arabia	
	15:40-17:40	Panel Discussion 2-Innovative Medical Device Policy	Representatives of EU, Japan, Saudi Arabia, and GHWP Leadership\other GHWP members\Representatives of the Academy Council
2024/5/30	8:30-10:00	Regulatory Framework of Medical Devices and IVDs in Indonesia	Director of Medical Device Control, Ministry of Health Indonesia
	10:00-10:20	Q&A on Pre-Market Approval Policies in Indonesia	
	10:40-12:10	Regulatory Framework of Medical Devices and IVDs in Malaysia	Director of Policy, International Affairs & Industry Facilitation Division Medical Device Authority, Ministry of Health Malaysia
	12:10-12:30	Q&A on Pre-Market Approval Policies in Malaysia	
	13:30-15:30	Panel Discussion 3-ASEAN Countries Regulatory Reliance Path	Representatives of Indonesia, Malaysia, China, and GHWP Leadership\other GHWP Members\Representatives of the Academy Council
	15:50-17:20	Interactive Communication 1-Workshop of Special Task Group of Common Evaluation Reliance	GHWP CERP
Interactive Communication 2- Interaction between GHWP member representatives and trainees		Representatives of GHWP Member	

		Interactive Communication 3-Introduction to the Annual Report on the Development of Medical Device Industry in China 2023	National Medical Products Administration Institute of Medical Economics
	Topic 4: Onsite Practical Training of Innovative Medical Device Enterprises in Guangdong		
2024/5/31	8:30-12:00	Onsite Practical Training of Innovative Medical Device Enterprises in Guangdong	
	Topic 5 : Case Sharing: Going Global with Innovative Medical Devices		
	13:30-14:00	Showcase of Advanced Implantable and Interventional Medical Devices	
	14:00-14:30	Showcase of Artificial Intelligence Medical Devices	
	14:30-15:00	Showcase of Medical Polymer Products	
	15:20-15:50	Showcase of Imaging Devices	
	15:50-16:20	Showcase of In vitro Diagnostic Products	
	16:20-16:40	Completion Ceremony	
2024/6/1	Departure		

Note: This program will be adjusted according to the preparation of the training, please pay attention to the next round of notification of the adjusted schedule and speakers.
